

For a Limited Time, MilfordMD is Offering Discounts on Some of Its Most Popular Nonsurgical and Minimally Invasive Treatments That Make People Feel More Attractive

Share Article

MilfordMD Cosmetic Dermatology Surgery & Laser Center, in Milford, Penn., is offering some of its most popular of cosmetic services at specially discounted prices starting in March-madness and continuing through April 30, 2018. The options include fillers, neuromodulator treatment, laser removal and more.

MILFORD, PA. (PRWEB) MARCH 14, 2018

To provide patients with non-invasive, no downtime cosmetic surgery options that help them achieve the changes they want in order to feel more confident and attractive, MilfordMD Cosmetic Dermatology Surgery & Laser Center, in Milford, Penn., is offering a [special list of cosmetic services](#) at specially discounted prices in March and through April 30, 2018. "These are our most popular nonsurgical and minimally invasive treatment options," says cosmetic surgeon Dr. Richard Buckley, medical director at MilfordMD. "They're things that our clients say make them feel more attractive, without causing long recoveries or time off work."

The mystery of attraction: Men and women of all ages go to the gym, carefully select clothes and seek out cosmetic surgeons in pursuit of their desires to be attractive. Attractiveness comes down to mathematics, according to some. Leonardo da Vinci pioneered the thinking in his writings about the "golden ratio," which cosmetic surgeons often use to help define attractiveness in the face. To add to the odds that mathematics has to do with attractiveness, researchers have found what they call the "cheerleader effect," suggesting women

MilfordMD's March-madness specials offering discounts on some of its most popular of cosmetic services through April 30. The options include fillers, neuromodulator treatment, laser removal and more.

“Now is the time to take advantage of

in groups are more attractive than women alone, according to a Feb. 19, 2018 article in the [Daily Mail](#).

Filler treatments top the list. MilfordMD is offering Restylane filler injections to treat the wrinkles and lines between the eyes at 30 percent off, for up to 1cc of filler—a savings of \$300. “The lines between the eyes are called the glabellar lines. Restylane is an excellent filler for helping to smooth these lines that make people feel like they look angry. The refreshed look that results is more youthful, more relaxed,” Dr. Buckley says.

To complement the special, MilfordMD is offering [Restylane filler treatments](#) for other facial areas, which can be combined at one treatment or purchased separately. To smooth lip lines, the cosmetic surgery practice is offering a 30 percent discount for up to 1 cc of filler, which is a savings of \$210. To help sculpt and define the jawline, patients will receive 30 percent off up to 2ccs of Restylane Lyft, which translates to a savings of \$415. And to smooth the wrinkles etched in under the eyes, clients can expect a 30 percent discount for up to 2ccs of Restylane-L, plus free Carboxytherapy for the lower eyelids, which is a savings of \$715.

“Carboxytherapy is a procedure in which we inject carbon monoxide superficially under the skin to improve the appearance of wrinkles and lines, improve skin elasticity, encourage collagen repair and more,” Dr. Buckley says. “Treatment takes only minutes, is painless and safe.”

For neck contouring, MilfordMD is offering a savings of nearly 60 percent on [Kybella](#) injectable treatment to eliminate fat under the chin. For one treatment vial, patients save \$650. For two vials, the savings is about \$1,400.

The removal of benign moles, growths and skin tags are being discounted 20 percent for March. Treatments to remove unsightly veins on and around the nose are also on sale at a discount of 20 percent.

And for those who want a nonsurgical browlift, to look less tired, angry and more rejuvenated, MilfordMD is offering a \$99 Xeomin brow lift. “Xeomin, like Botox, is an injectable neuromodulator and wrinkle relaxer,” Dr. Buckley says. “One way in which [Xeomin](#) is different than Botox is that it is a more refined, more purified product.”
